BNA Cube 2006 for Frits van Dongen

On Friday, December 8th, this year's BNA Cube is awarded to Frits van Dongen in the Philharmonie in Haarlem, Netherlands. The theme this time round is 'assembly buildings: architecture and culture'. The jury praises Van Dongen for the great care he takes with his buildings, from logistics to acoustics and internal organization.

To mark the occasion 010 has published 'Frits van Dongen. Designing for Culture'. This book documents the Harmonie in Leeuwarden, the Pathé Cinema and Heineken Music Hall in Amsterdam Zuidoost and the Philharmonie in Haarlem as well as some competition designs.

You can find more information (Dutch only) about the prize and the jury report at www.bna.nl. Read more about the book by clicking the image above.
