

Bas Princen shortlisted for Prixderome.nl 2006

On January 20th 2006 the names of those shortlisted for the Prixderome.nl 2006 for Architecture were made known. Our heartiest congratulations go to Daan Petri, Eva Pfannes, Milica Topalovic and Ronald Rietveld but in particular to Bas Princen.

In 2004, 010 published the book *Artificial Arcadia*. Co-edited by Bas Princen, it includes 40 awe-inspiring and baffling photographs by Princen in a visual commentary on how the landscape is continually being adapted to meet changing demands.

Prixderome.nl (formerly Prix de Rome) is the oldest Dutch state prize for artists up to the age of 35. The 2006 edition is devoted to architecture. This is the fifteenth time that 010 Publishers has provided the accompanying book. It will be presented in June 2006 when the overall winner is made known. See also www.prixderome.nl.
