NEW: ARCHITECTURAL GUIDE TO THE NETHERLANDS 1900-2000

Who was it who designed the Villa VPRO in Hilversum and who masterplanned Kop van Zuid in Rotterdam? What should you make sure you visit when in Jispersluis or Sittard? Which Dutch architects were influenced by Frank Lloyd Wright? This guide has all the answers, 584 pages of them, on the subject of 20th-century Dutch architecture.

THE METROPOLITAN WORLD ATLAS DOES IT AGAIN

It looks like becoming a regular slot in our newsletters: a prize for the Metropolitan World Atlas. This time it's a 'best of the best' red dot award. Only 24 of the almost 4000 entries receive this nomination. At the festive awards ceremony to be held this December we will learn whether we have gone on to win the coveted 'red dot grand prix'. Our fingers are crossed! For more information about the red dot award go to <http://www.red-dot.org>. This OIO atlas has already earned itself a Gold Medal for the 'Best Book Design from all over the world' and a Best Dutch Book Design award for 2005.

Metropolitan World Atlas / Arjen van Susteren / design Joost Grootens / English / ISBN 978 90 6450 548 5 / euro 34.50 / see also <http://www.oiopublishers.nl> and type 'atlas' in the search box.
