COMING SOON: CHAIRS

A relief! The fire that destroyed the Faculty of Architecture building in Delft this week didn't reach the exceptional and priceless collection of chairs by famous and less famous designers. This has made the publication of the Chairs catalogue, which is planned for June this year, all the more topical and necessary. In this catalogue, the entire collection of over 240 chairs of the Faculty of Architecture is presented for the first time. Among the designers presented are Verner Panton, Gerrit T. Rietveld, Hendrik Petrus Berlage, Jean Prouvé, Marcel Breuer, and Droog Design.

COMING SOON: GOED IN VORM

Mienke Simon Thomas took a critical look at the overviews of Dutch design history that appeared in the course of the twentieth century and decided to take a radically different approach. Her book, Goed in vorm (Good in Form), demonstrated that many established ideas on Dutch Design require revision. This book is due to be published on 14 June 2008.

You will be more than welcome at the exhibition and the book launch: Saturday 14 June 2008, 14.00-17.00. Museum Boijmans Van Beuningen, Museumpark 18-20, Rotterdam
